CHRISTMAS

It's beginning to feel like Christmas when certain things begin to happen

-The stone-faced elevator operator says "good Feeling" for the first time this month

-The newspaper boys puts the paper on the porch and not on the roof.

-The office "coffee break" doesn't last through the morning.

-The taxi driver opens the cab door for a lady passenger.

-Your son says, "I don't need the car tonight, Dad."

-The wife brings you morning coffee in bed.

-The bus driver doesn't slam the door in your face.

-The store clerk says, "Thank you for shopping with us."

-You receive a call from a long-lost friend.

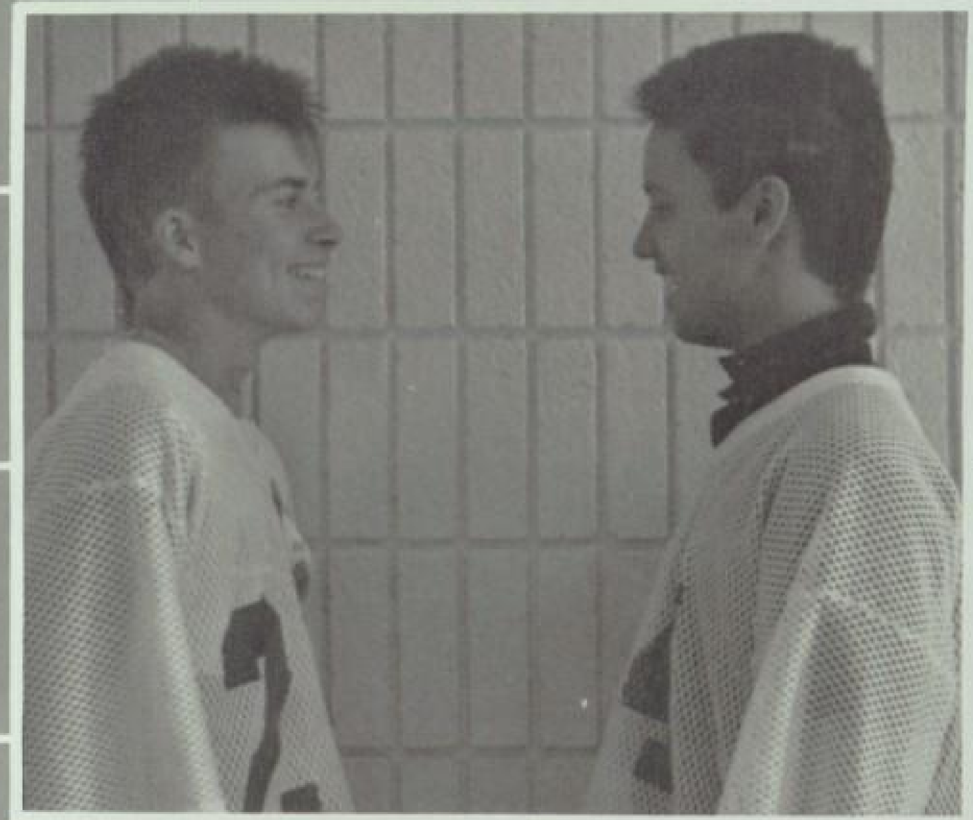

-You feel like greeting the world with a smile and a friendly greeting.

-And, isn't is a very nice time of year?

1) Adair's parking lot with everyone getting his or her dream car.
2) Chorus presents carols during the annual Christmas program.
3) Enjoying the program.
4) The band waits for their turn in the program.
5) No classroom is complete without the presents under the tree.
6) Know what I want for Christmas?

Lori and Friend's model Leggs pantyhose.

Tony and Jay work as extras for Mr. T.

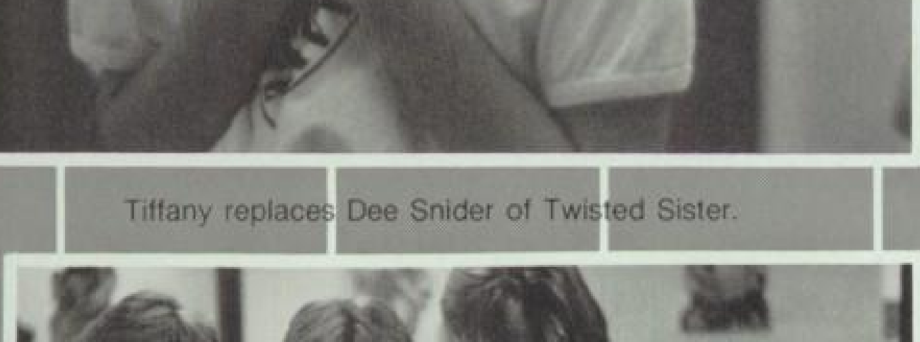

Gary forms a new rock group.

Tiffany replaces Dee Snider of Twisted Sister.

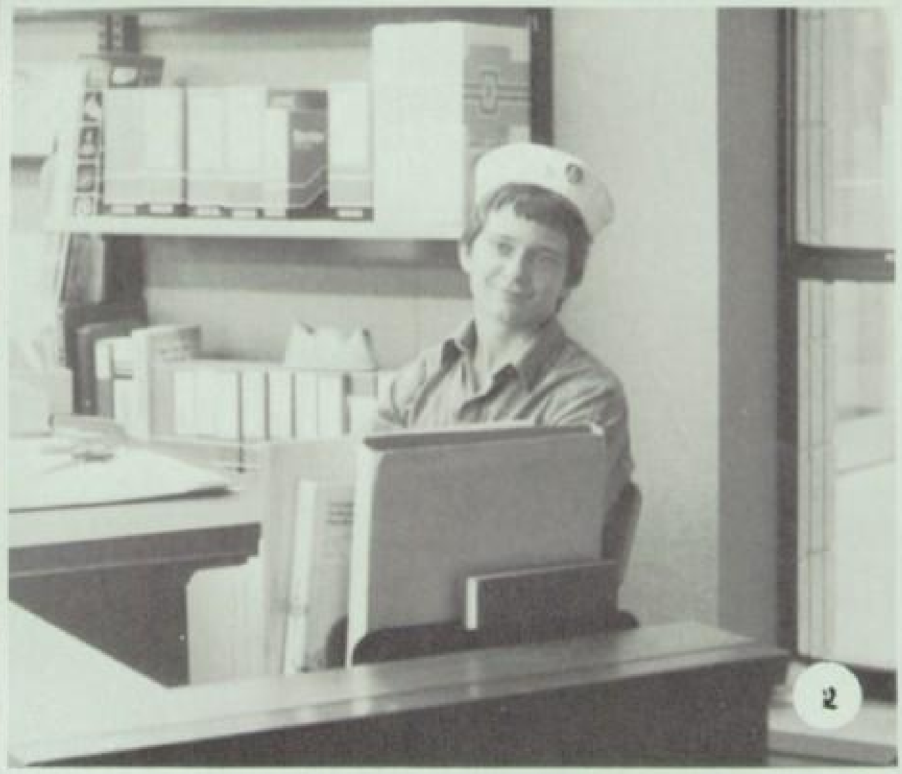

Doug joins the Marines while Brian and Joel become bums.

These guys have no idea what they want to be.

Is it an interesting magazine, Marsha?

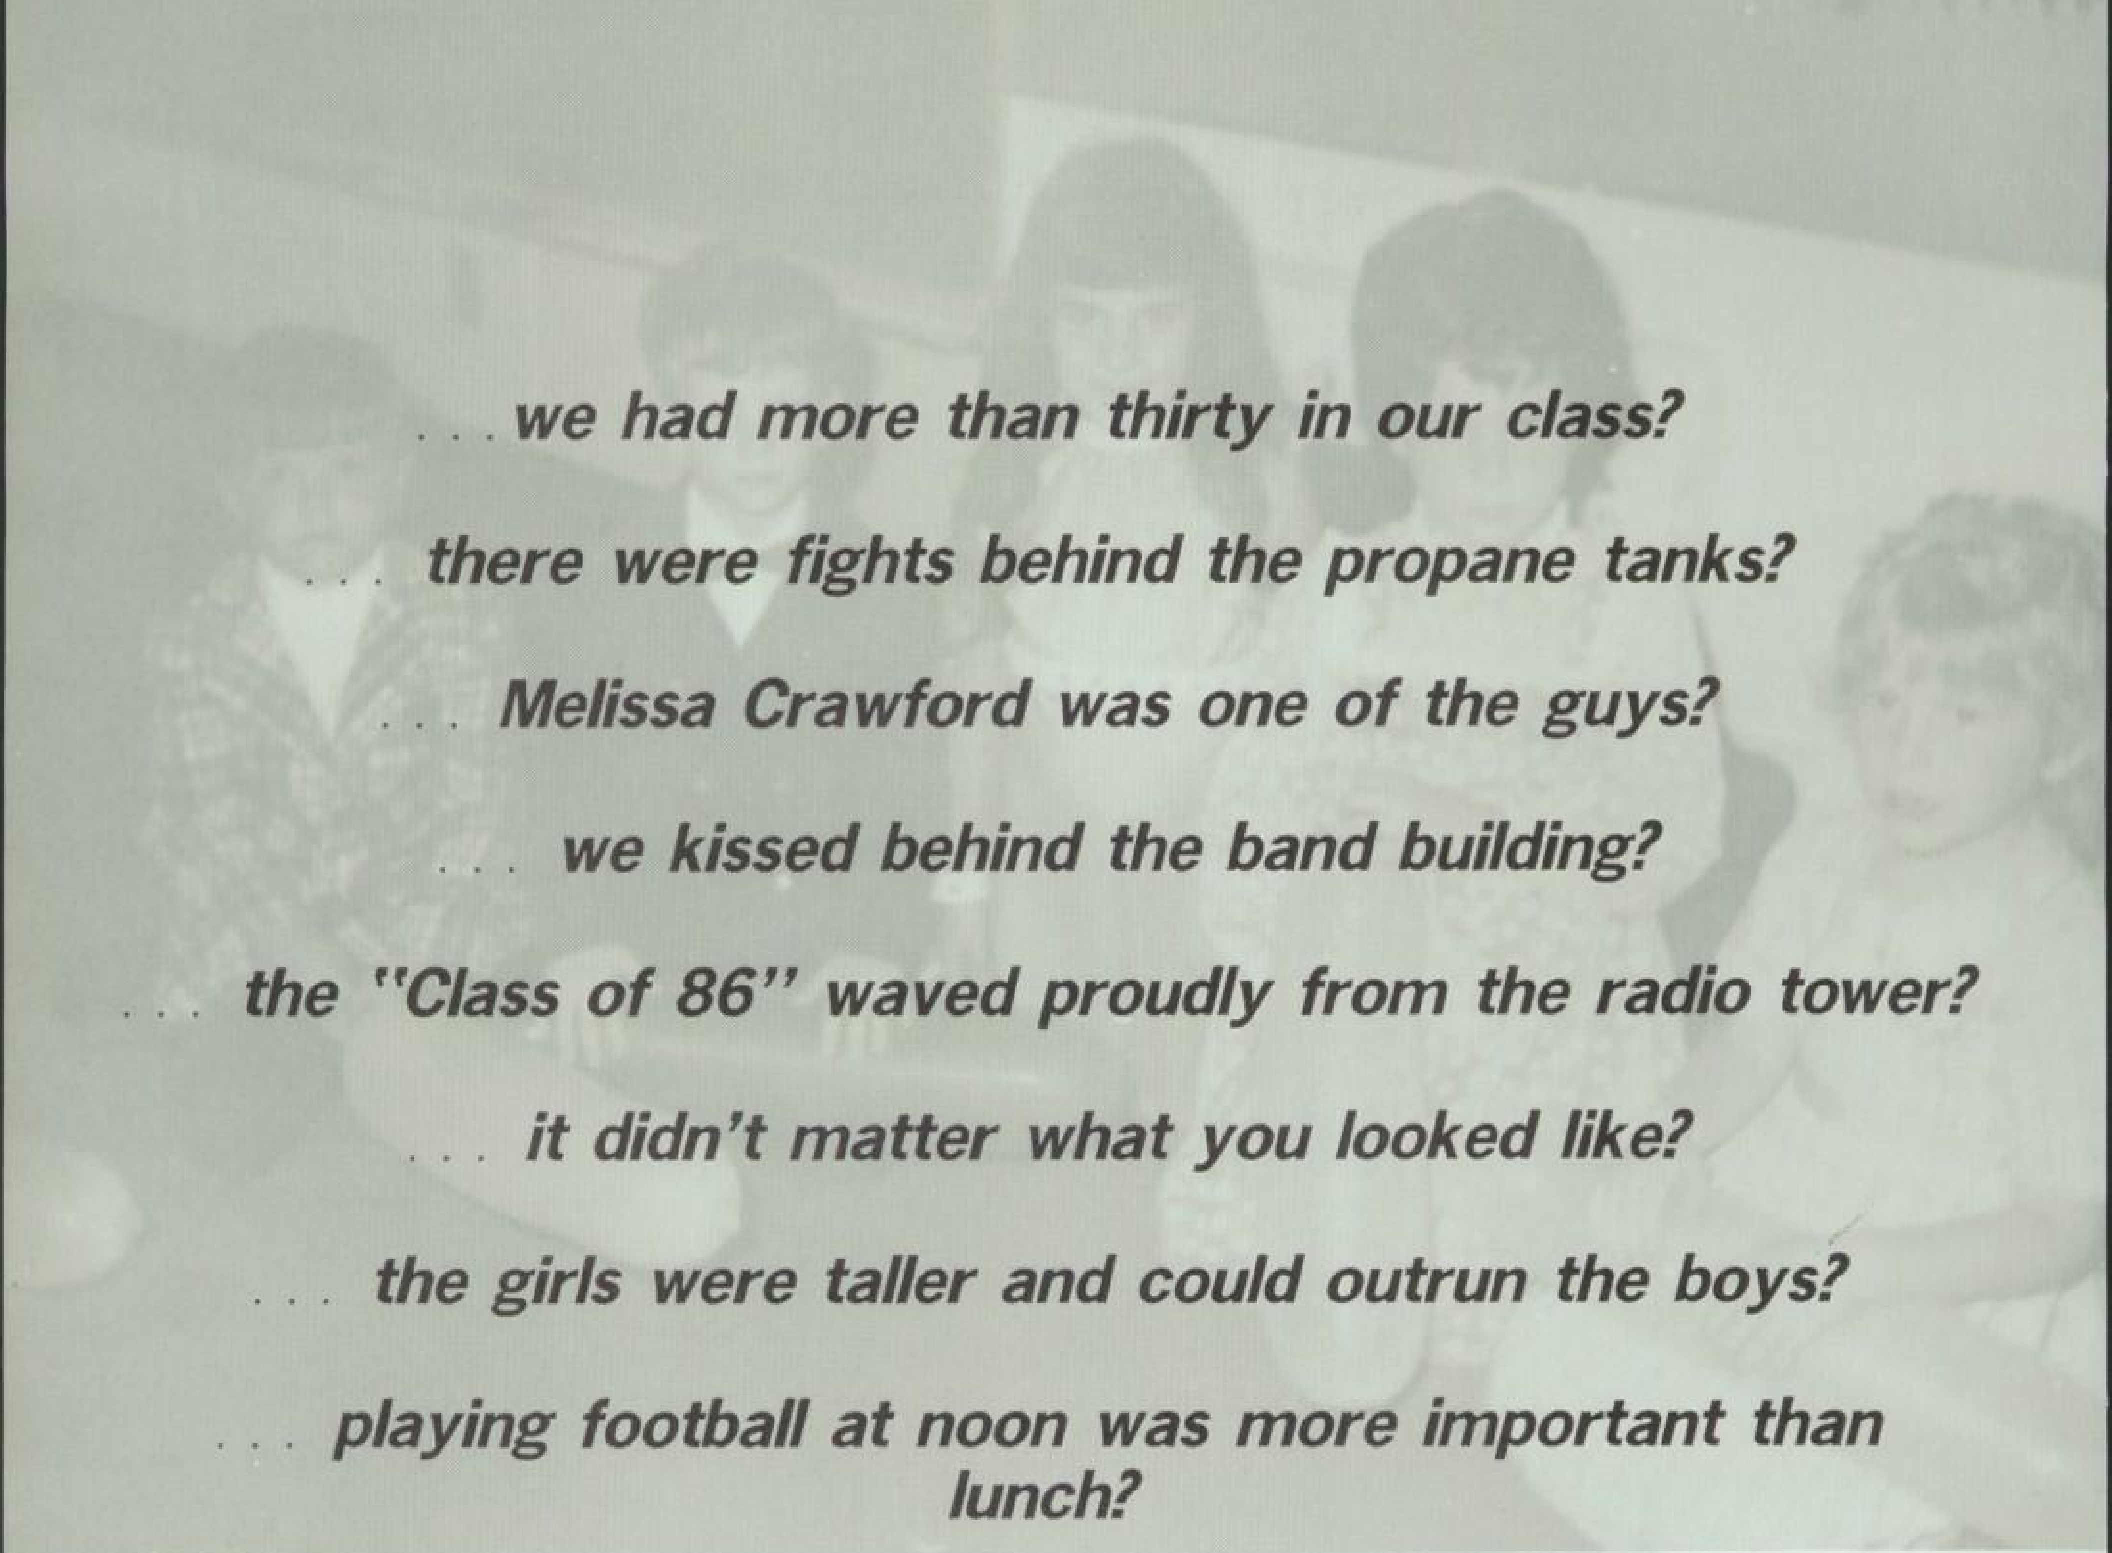

Look Jonny . . . .

Isn't Carin cute?

REMEMBER WHEN . . .

. . . we had more than thirty in our class?

. . . there were fights behind the propane tanks?

. . . Melissa Crawford was one of the guys?

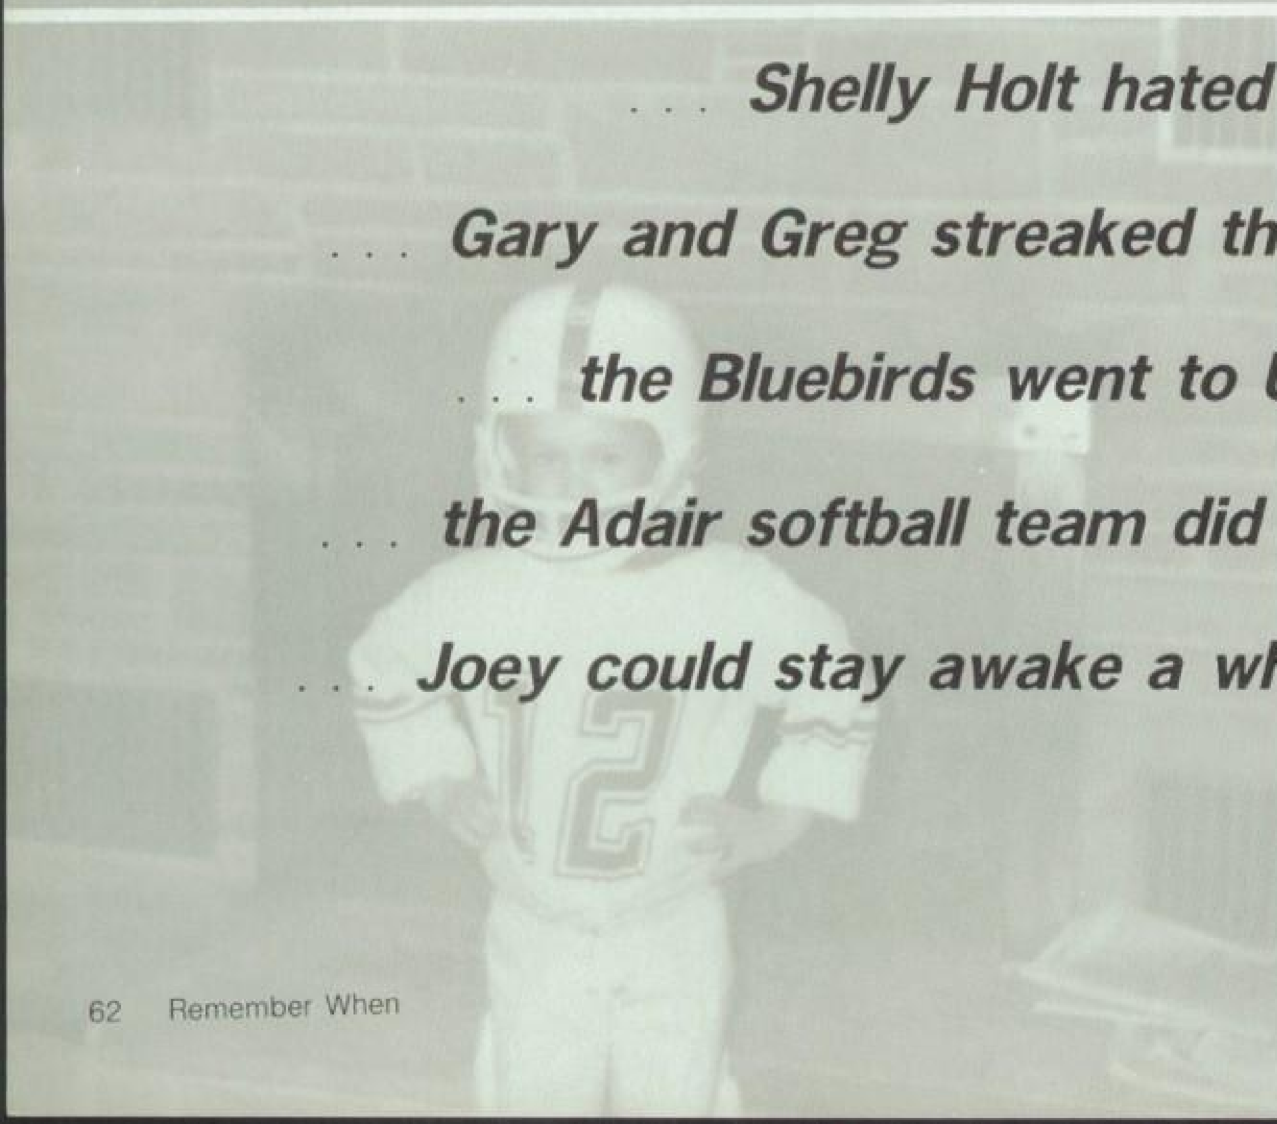

. . . we kissed behind the band building?

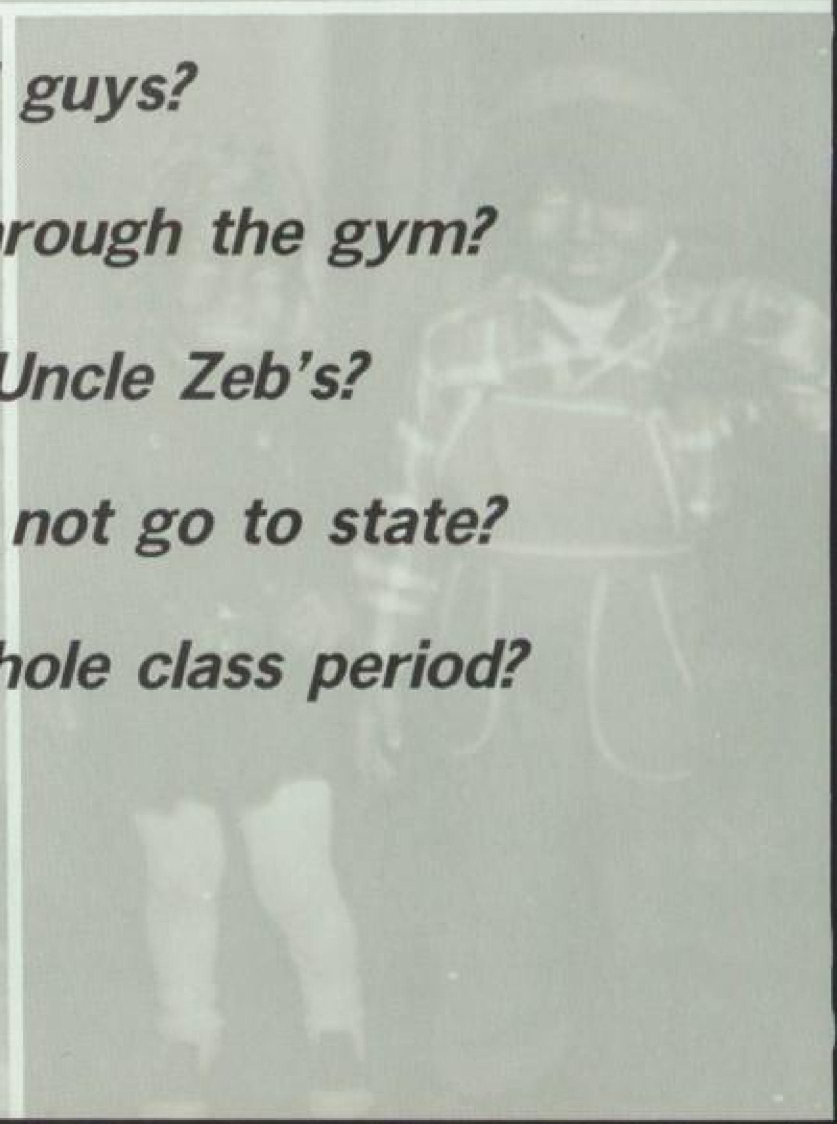

. . . the "Class of 86" waved proudly from the radio tower?

. . . it didn't matter what you looked like?

. . . the girls were taller and could outrun the boys?

. . . playing football at noon was more important than lunch?

. . . Shelly Holt hated guys?

. . . Gary and Greg streaked through the gym?

As fifth graders we are the grown-ups of the elementary school. Our teachers are Mrs. Gay, Science; Mrs. Holt and Mrs. Baily, Language Arts; Mrs. Rogers and Mrs. Waters, Reading; Mr. Boston, Social Studies; Mr. Gutherie, Math; Mrs. Melton, Music; and Mr. Surine, Band.

These teachers work hard to try to prepare us for our Junior High years. We do activities and experiments in Science. We have to do a research paper (Mrs. Floyd, the librarian gets in on this project). We drill, drill, drill in math and read, read, read in reading. We definitely don't socialize in Social Studies though because Mr. Boston works us real hard. He even makes surprise locker checks!
